

DA-AMF FLAT ANTENNA MOUNT

INSTRUCTIONS

Thank you for purchasing our **DA-AMF** Antenna Mount Kit.

This kit is designed to mount to your DASH Offroad Platform.

All supplied components are made from durable 300-series stainless steel to ensure the longevity of the product.

If you have any questions regarding your install that aren't addressed in this manual, please contact us at dashoffroad.com.au

Kit includes:

- **DA-AMF** Antenna Mount
- M8 Channel Nuts
- 3mm Spacers
- M8 Spring Washer
- M8 Washer
- M8 Button Head Screws

1. To mount the **DA-AMF**, align the mounting slots along the channel of your roof rack, this mount is designed to be installed on the second channel in from your roof rack

2. Feed through the channel nut and tighten with supplied bolts to secure the kit in place
